Translation and Own-language Activities Philip Kerr 2014-03-27

"Translation and Own-language Activities provides structured, practical advice and guidance for using students' own languages within the ELT classroom. It presents effective ways of integrating carefully chosen activities, covering themes such as tools, language skills, language focus and techniques. The practical activities range from using bilingual dictionaries to translating long texts, with a number of tasks drawing on

easy-to-use web tools. The book also considers the relationship between translation and intercultural understanding"--

Cool English Level 5 Teacher's Guide with Audio CD and Tests CD Herbert Puchta 2005-09-19 Cool English is a 6-level contemporary version of Join In. It is organized in lesson plans for each class session. These lesson plans give suggestions on different ways of exploiting the activities, plus extra ideas and materials. It includes clear and concise instructions with step-by-step explanations which simplify lesson-planning for the teacher. The guide is interleaved with the Pupil's Book and contains all the tape scripts. The 2 Audio CDs for the teacher contain all the songs and the recordings from the Pupil's Book, as well as the listening tests. The Tests CD contains pdfs of assessment tests for this level.

Cambodia Asian Development Bank 2014-11-01 Cambodia has enjoyed over two decades of robust growth, with rising foreign investment and deepening integration into global and regional value chains. The country--- once riven by civil war and conflict---is now politically stable and

increasingly making its mark as the world's eighth-largest rice producer, Asia's 10th largest garment exporter, and a rising tourist destination. Yet Cambodia faces considerable challenges. It suffers from major infrastructure deficits; limited skills development and education quality; and weaknesses in governance. Fiscal resources are also stretched. Moreover, for a successful transition to a modern industrialized economy, Cambodia needs to diversify and upgrade its productive capabilities. This publication examines the opportunities and the challenges, and offers recommendations for long-term socioeconomic strategy.

Skills in English Lindsay McNab 2001 The Skills in English series is designed to cover all the National Curriculum requirements using a wide range of texts. The student book focuses on reading, writing, speaking and listening skills. It provides differentiated activities that integrate word, sentence and text-level objectives.

Operas in English Margaret Ross Griffel 2012-12-21 Although many opera dictionaries and encyclopedias are available, very few are devoted exclusively to operas in a single language. In this revised and expanded edition of Operas in English: A Dictionary, Margaret Ross Griffel brings up to date her original work on operas written specifically to an English text (including works both originally prepared in English, as well as English translations). Since its original publication in 1999, Griffel has added nearly 800 entries to the 4,300 from the original volume, covering the world of opera in the English language from 1634 through 2011. Listed alphabetically by letter, each opera entry includes alternative titles, if any; a full, descriptive title; the number of acts; the composer's name; the librettist's name, the original language of the libretto, and the original source of the text, with the source title; the date, place, and cast of the

first performance; the date of composition, if it occurred substantially earlier than the premiere date; similar information for the first U.S. (including colonial) and British (i.e., in England, Scotland, or Wales) performances, where applicable; a brief plot summary; the main characters (names and vocal ranges, where known); some of the especially noteworthy numbers cited by name; comments on special musical problems, techniques, or other significant aspects; and other settings of the text, including non-English ones, and/or other operas involving the same story or characters (cross references are indicated by asterisks). Entries also include such information as first and critical editions of the score and libretto; a bibliography, ranging from scholarly studies to more informal journal articles and reviews; a discography; and information on video recordings. Griffel also includes four appendixes, a selective bibliography, and two indexes. The first appendix lists composers, their places and years of birth and death, and their operas included in the text as entries; the second does the same for librettists; the third records authors whose works inspired or were adapted for the librettos; and the fourth comprises a chronological listing of the A–Z entries, including as well as the date of first performance, the city of the premiere, the short title of the opera, and the composer. Griffel also include a main character index and an index of singers, conductors, producers, and other key

figures.

Mini London Travel Guide HowExpert 2016-09-08 It's finally here – your vacation to London, England! There's just one thing. You have worked hard to save your money and buy your tickets to get there and find a place to stay, but you don't have much money left to spend on things to

do. What now? How to Have Fun on a Budget in London, England will show you! There are suggestions about the following: • Getting Around. You will learn about your best options for transportation (and sometimes entertainment as you go). • Free Cultural Sites and Inexpensive Places to Go. There are so many free or low-cost things you can experience in London, whether it is traditional or contemporary. There are suggestions for older and younger (and young-at-heart) travelers. • Sites Worth the Money. These places may cost more than the other suggestions in the book, but the experiences they provide make them worth what you spend. They will give you a full day or even more of beautiful sights, history lessons, and good entertainment. • Food. While there are too many pubs, shops and restaurants to mention, this guide suggests a few who offer great deals. • Theater. Lastly, you will learn tips and tricks to experiencing London's theater scene without spending a fortune. About the Expert Heather Clark has been an Anglophile most of her life. Both her bachelor's and master's degrees were in English literature because she fell in love with Chaucer, Shakespeare, and Mary Shelley. In fact, her master's thesis was about Shelley and her life. Heather also spent part of her college years living in London, and she has since visited Britain to share the experience with family many years later. The change in perspectives gave her a chance to see London through youth and adult eyes. She loves to

share travel tips and stories about London and its history with anyone who will listen. HowExpert publishes quick 'how to' guides on all topics from A to Z by everyday experts.
